10th March 2014

Dear Sir,

Sub: JATF Campaigning for Academic Year 2014-15

JATF has the core objectives to **Empower Education and Shape the Future!** It is with this zeal and passion that JATF continues to strive towards attaining the goals, rendering selfless services towards the Society and thereby enriching the lives of so many students and their families across the Nation. **This has been possible due to the generous donors who contribute towards JATF.**

The Flagship project of JATF: PACE: Public Administration and Civil Services Enhancement is inclined towards guiding and assisting students to prepare and appear for the Civil Services Examinations which has been getting an overwhelming response. As of now, **more than 100 of our students have joined prestigious services like IAS, IPS, IRS, RAS** and such others to serve the nation and society. Below table captures our journey so far:

Table 1: JATF: Performance Indices

Total Students Trained	Total Students Selected	Students in Central Services (E.g. IAS, IPS)	Students in State Services (E.g. RAS, MAS)	Students appeared in UPSC Mains 2013
600+	110	35	75	75

Below table captures number of students trained at our different centers per year:-

Table 2: JATF: Centre wise students trained annually

Total Centers	Delhi	Jaipur	Indore	Pune	Chennai
6	68+72=140	20	35	35	20

JATF selects students through a rigorous three stage entrance exam for training and coaching across all over India of its 6 centers as follows:

Stages	Process	Date
First	Receiving Application Forms from Students	30/04/2014
Second	JATF Common Entrance Test (CET)	18/05/2014
Third	Panel Interview	End of May*

Finally, on the basis of the combined marks of all the three stages a final merit list is prepared and students are given admission to one out of our six centers across India as per merit.

JATF has immense pleasure in informing you that it has begun its admission academic year 2014-15. Mass awareness programs are being conducted in various parts of the country for inviting applications to our JATF CET. The form is available for download at www.jitoatf.org

We will be glad if you could kindly arrange to circulate an informative article and attached images (attached herewith in Hindi and English) over your social network and to your members, so that local Graduate Students & Young Professional of your area can promptly register themselves for the JATF CET.

Looking forward to your continued support in the journey to
Empower Education & Shape the Future!

Regards,

Jain J B
Chief Secretary

JATF: Last dates for
Registration: 30th April 2014
JATF CET: 18th May 2014
