### **Mission\* 24L \* & JainWorld ([www.jainworld.com](http://www.jainworld.com))**

As we celebrate 20 years of www.jainworld.com (the very first web site on Jainism) around the globe, it remains the best time to review the progress and future plans for this unique movement which will have greatest impact on the way Jainism will be perceived globally in the days to come.

Solid progress on the Mission\*24L\* front is continuing throughout the world due to the hard work of several **Jain World** teams in translating, developing, reviewing, and loading the contents in various languages.

#### **Achievements:**

- A non-profit Foundation in USA, www.jainworld.com is unique and has already revolutionizing the way Jainism is perceived globally.
- Our Mission\*24L\* plan makes sure that Jainworld.com extends coverage to 97% of the global population.
- It has already translated Jainism in 41 languages and made the core values of Jainism accessible to all, all the time.
- More than 500 million cumulate hits from 1996.
- A global resource center with authentic and original Jain scripture to serve everyone, Jains and non-Jains, from a casual visitor to a serious research fellow.
- This is a historical landmark in the cause of Jainism not achieved before. Jainworld is now a truly global movement participated from 187 countries.
- Since 1996, Jain World has worked relentlessly to create a visible, global signature for Jainism.
- More than 700 Jainism related outreach efforts by Radio-TV talks, lectures, discussion groups for non-Jain audience were initiated in world languages through Jain World.
- Jain Recipes on Jain World have created dramatic awareness about Jain foods and remains a valuable source for all hotels, airlines, TV and individuals worldwide.
- Massive project to bring all Jain scripture older than 2000 years on web was first initiated by Jain World.

- Jain World collaborated with several media organizations in putting Jainism on their web site and helping them to film Jain temples and Jain way of life in India especially for non-English world audiences.
- Jain World is de facto entry point globally to the exciting world of Jainism
- Work on many more languages is continuing along with enhancement of existing language editions. Make sure you are part of it.
- Your dedication can make a significant difference. Be a part of this exciting, fulfilling movement --- Mission\*24L\*
